ABOUT SREE DATTHA INSTITUTIONS

SREE DATTHA INSTITUTIONS (SDI) was established in the year 2001 and has commendable credentials in the field of Education by producing more than 3000+ quality professionals every year under the auspices of Shri G. Panduranga Reddy, Founder Secretary with his dynamism, cosmopolitan thinking and great vision along with eminent Scientists from DLRL, DRDL, ISRO, DMRL, BDL, Academicians from premier institutes, Ex- Vice Chancellors *etc.*, to make SDI a model by itself in all respects. SDI has evolved into a system of holistic education, based on the overall development of the student. SDI treats each student as an individual with latent potential and thus will provide education and skill development programs to harness, channelize and nurture talent. Classroom work is part of Academics. In addition to pursuing intellectual advancement, there is an “I CAN DO” and “DO IT YOURSELF” attitude which will pervade the academic scenario with a judicious blend of artistic vibrancy, a desire to compete and excel in co-curricular activities, cultural events and sports, by and large enabling the students to strike a balance and foster their development. Every activity of ours is laced with policy.

The vision of SDI is to be a globally renowned university and the mission is to impart quality higher education and to undertake research with emphasis on application and innovation that cater to emerging societal needs through the all-round development of students enabling them to be globally competitive and socially responsible citizens with intrinsic values.

ABOUT ESN PUBLICATIONS

ESN PUBLICATIONS is an International institute for Research and Development. It is a government-registered organization for researchers and engineers. An ISO 9001:2015 registered Company. ESN Publications holds 3 World Records, 2 India Book of Records, and 1 Asia Book of Records, and also did more than 100 International Conferences in India and other nations. Currently, ESN Publications is Planning for the Thickest Book in the World and Unique Guinness World Record attempt.

ABOUT THE CONFERENCE

The 1st IC-IREASM was held at SDI from 15th-16th October 2019. The 2nd IC-IREASM is an earnest attempt to create the right interface for the exchange and dissemination of new ideas and techniques among young researchers in the far reaches of various fields of engineering, applied science and management studies worldwide.

IC-IREASM shall be graced by leading academicians, networking and marketing analysts, industrialists, scientists and eminent researchers working around the globe to have productive discussions about the importance of research and interlinked domains.
