

Core Values

The core values are a set of principles that are aligned with Sree Dattha Institute of Engineering and Science mission and guide the practice and development of curriculum, faculty, students, and staff.

- 1] Ethics – Foster a learning environment that promotes responsible, principled behavior which respects the dignity of all members of the community.
- 2] Integrity – Conduct all activities in an ethical manner. Commit to practices that are fair, honest, and objective in dealing with students, faculty members, staff, and stakeholders at all levels of the community.
- 3] Student Service – Strive to ensure that curriculum, delivery, and support services respond to inquiries, requests, and concerns in an appropriate and timely manner.
- 4] Quality – Provide educational programs that lead to the acquisition of knowledge and skills necessary to achieve information literacy, career advancement, personal enrichment, leadership, and service to the community. To ensure program quality, Institute assesses practices, policies, and procedures on an ongoing basis to strengthen the overall effectiveness of curriculum, instructional delivery, and operations.
