LABORATORIES

Power Electronics Lab	72	 A photograph of a Power Electronics Lab. The room is spacious with a polished floor. In the foreground, there are several large, dark-colored cabinets or workstations. In the background, there are rows of desks with chairs, and a chalkboard is visible on the wall.
Electrical Simulation Lab	105	 A photograph of an Electrical Simulation Lab. The room is filled with rows of computer workstations, each consisting of a desk, a chair, and a monitor. The room has a high ceiling with multiple ceiling fans and large windows on the right side.
Electrical Workshop Lab	144	 A photograph of an Electrical Workshop Lab. The room is well-lit with large windows. There are several workstations with desks and chairs. A fire extinguisher is visible on the wall. The room appears to be a practical workspace for electrical work.
Power Converters Lab	33	 A photograph of a Power Converters Lab. The room is similar to the Power Electronics Lab, with a polished floor and rows of desks with chairs. There are large cabinets in the foreground and a chalkboard in the background.
Project Lab	66	 A photograph of a Project Lab. The room has a green-painted lower section of the walls. There are several workstations with desks and chairs. The walls are decorated with posters and diagrams related to electrical engineering. A large banner with the text 'EEE' is visible on the wall.
